JOB OBJECTIVE

I am currently looking to join a nonprofit organization as a graphic designer to help communicate important issues that affect the local community.

WORK EXPERIENCE

Mobile Baykeeper Mobile, AL | March 2024 — Present

Graphic Design Intern

- Attend weekly meetings to receive important updates
- Design various deliverables in accordance with the brand guidelines
- Meet deadlines and communicate effectively

Rover Mobile, AL | June 2023 — Present

Pet sitting

- Maintain a positive profile on Rover with great reviews.
- Update schedule daily and organize a calendar to keep up with clients.
- Communicate with clients from beginning to end of the booking process.

Let's Kick Mobile, AL and surrounding cities | Jan 2022 — March 2024

Head Soccer Coach / Director of Communications and Marketing (Aug 2022)

- Let's kick is a youth enrichment program where coaches travel to various school teaching children life lessons such as confidence and teamwork all while playing soccer and having a lot of fun
- Improve and maintain activity on social media sites and upload at least two posts each week
- Create documents such as flyers, welcome emails, and program information sheets
- Effectively communicate with team members, parents, and school staff
- Organize employee documents to create a better system that is more efficient
- Answer parent and director emails daily to improve the company's communication reputation
- Implement other marketing ideas and tools to gain new customers and reach a wider audience.

Amazon San Marcos, TX | September 2021 — January 2022

Outbound Docks-Associate

- Load trucks, build containers, move and store pallets in the proper area
- Recognize torn, leaking, or ruined boxes
- Work at a fast pace and reach all hourly goals

Cafezinho Coffee Shop Selma, TX | July 2017 — June 2021

Associate (2017)/General Manager (2020)

- Common managerial tasks such as producing a schedule, releasing payroll, and taking inventory
- Organized successful local events such as "Food Truck Friday"
- Created, designed, and ran the Cafezinho webpage
- Manage all social media accounts including Facebook, Instagram, and Twitter
- Worked closely with customers, employees, and owners to fix issues quickly
